

STUTSMAN COUNTY

If you are experiencing “blank pages” when searching on our iTax portal you can change the following setting in Internet Explorer to fix the issue.

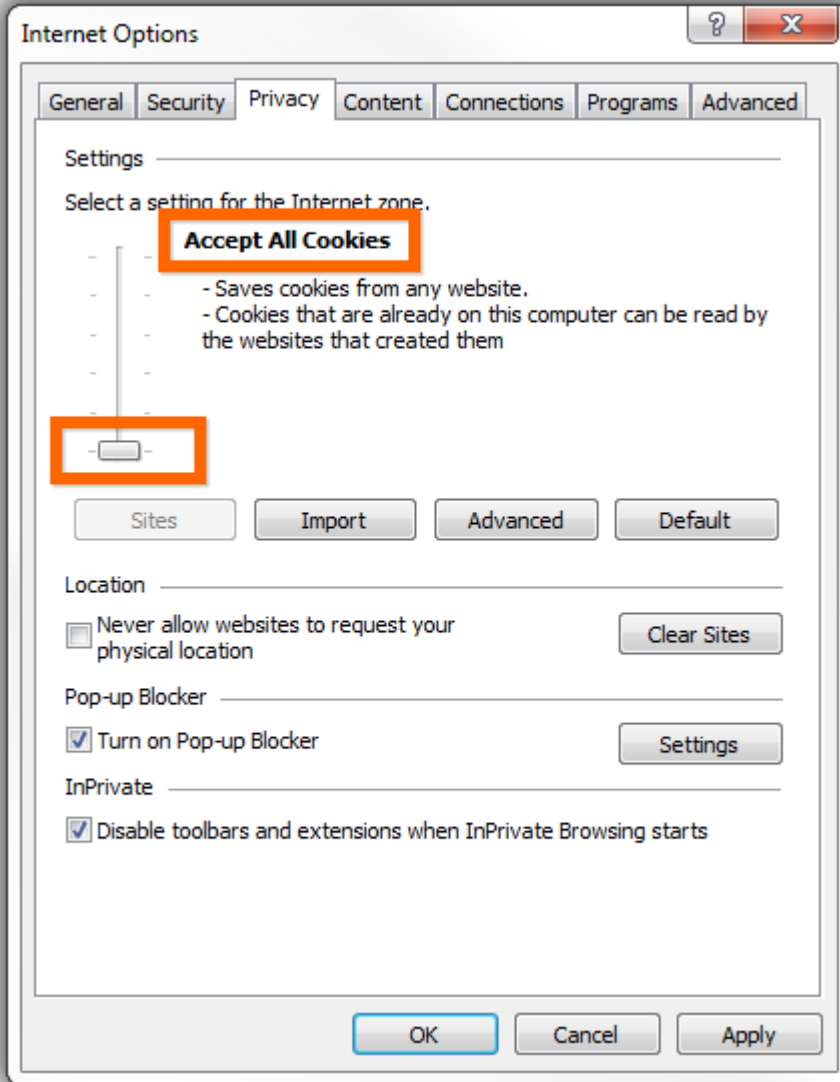

First, click on the ‘Tools’ icon located in the top right-hand side of your screen. The icon resembles a gear.

When the drop-down menu appears, click on ‘Internet Options’ which is located towards the bottom of the list.

On the next window that pops up, click on the tab at the top titled “Privacy”. On that tab you will see a slider-style bar on the left. The default setting is ‘Medium’. Click on the slider and move it towards the bottom until you see the setting “Accept All Cookies”.

Click on the ‘OK’ button to save the changes and try to perform your search again where you should now see results.

If you still have issues or questions feel free to call the Treasurer’s Office at (701) 252-9036.
